WOMAN IN LOVE

Words and Music by BARRY GIBB and ROBIN GIBB

Moderately Slow

Life is a moment in space, when the dream is gone it's a lonelier place.
With you eternally mine, in love there is no measure of time.
I kiss the morn-ing good-bye, but down in-side you know we nev-er know why.
We planned it all at the start, that you and I live in each oth-ers heart.

The road is nar-row and long when eyes meet eyes and the feel-ing is strong.
We may be o-ceans a-way you fed my love I hear what you say.

I turn a-way from the wall I stumble and fall but I give you it all.
The truth is ev-er a lie I stumble and fall but I give you it all.

I am a Wom-an In Love and I'd do an-y-thing to get you in-to my world,
and hold you within.  It's a right.  I defend over and over again.

What do I do?

I am a Woman In Love and I'm talking to you.  I know how you feel.
what a wom-an can do. It's a right I de-fend

o-ver and o-ver a-gain. I am a Wom-an In Love.

and I'd do an-y-thing to get you in-to my world, and hold you with-in.

Repeat and Fade

It's a right I de-fend o-ver and o-ver a-gain.

And we can't take it home
the fire that was burning,
with nothing for tomorrow.

When all around was turning
I'm here to face the sorrow
The dream we sailed was far and

wide.

Gotta give a little of the Love Inside,
Gotta give a little of the Love Inside,
Not to take it all and watch me fall.
Not to take it apart this breaking heart.
I got me lovin' you
I had you lovin' me
And we

both played a long love is easy on the young. Life was together.

As the world fades away into yesterday I'm losing you

WHAT KIND OF FOOL

Moderately Slow

Words and Music by
BARRY GIBB & ALBHY GALUTEN

1. There was a time when we were down and out.
   There was a place when we were
   And for a moment we were

2. There was a time when we were standing still
   start ing over.
   We let the bough break,
   And then you found her,

Let the stranger in.
Who's sorry now.

Who's sorry now.

Who's sorry now.

What, what kind of fool tears it apart leaving me

pain and sorrow. Losin' you now. How can I win
why.
Where will I be to-mor-row? For-ev-er bend-in' what we are to be without each oth-er. We'll be re-mem-ber-in' when

There was a time when we were down and out. There was a place when we were

start-ing o-ver. We let the bough break we let the heart-ache in._
who's sorry now. Who's sorry now...

D.S. al Coda

Was there a moment when I

cut you down, played around. What have I done I

only apologize for being as they say the last to know it has to
show when someone is in your eyes

What kind of fool tears it apart
Leaving me pain and sorrow, losing you

now wondering why where will I be tomorrow.

1. Don't want to stay here. Not very nice.
2. Dog in the manger. Teller of lies.

You boiled me over. Now you're cold as ice.
I see a stranger laughing in your eyes.
From what you gave me
Though I don't know how
I'm in the way now

I should be home-ward bound.
No mat-ter what you do.

Why am I hang-ing round?
